

# DIBUTYL ETHER AR MSDS

CAS-No.: 142-96-1 MSDS

## MATERIAL SAFETY DATA SHEET (MSDS)

### SECTION 1: Identification of the substance/mixture and of the company/undertaking

#### 1.1. Product identifier

Product form : Substance  
:  
CAS-No. : 142-96-1  
Product code : B-00959  
Formula : C<sub>8</sub>H<sub>18</sub>O  
Chemical structure :   
Synonyms : Butyl ether

#### 1.2. Relevant identified uses of the substance or mixture and uses advised against

##### 1.2.1. Relevant identified uses

Industrial/Professional use spec : Industrial  
For professional use only

##### 1.2.2. Uses advised against

No additional information available

#### 1.3. Details of the supplier of the safety data sheet

Bio-Chem Chemicals  
5455, Nicholson Road Science Market,  
Ambala Cantt. 133001 Haryana (India)  
+91-82952 41953  
[info@biofinechemical.com](mailto:info@biofinechemical.com) - [www.biofinechemical.com](http://www.biofinechemical.com)

#### 1.4. Emergency telephone number

Emergency number : +91 99921 51495 (10.00am - 06.30pm) (Office Hours)

### SECTION 2: Hazards identification

#### 2.1. Classification of the substance or mixture

##### Classification according to Regulation (EC) No. 1272/2008 [CLP]

Flammable liquids, H226  
Category 3  
Skin corrosion/irritation, H315  
Category 2  
Serious eye damage/eye H319  
irritation, Category 2  
Specific target organ H335  
toxicity — Single  
exposure, Category 3,  
Respiratory tract irritation  
Hazardous to the aquatic H412  
environment — Chronic  
Hazard, Category 3

Full text of H statements : see section 16

# DIBUTYL ETHER AR

## Safety Data Sheet

---

### Classification according to Directive 67/548/EEC [DSD] or 1999/45/EC [DPD]

Xi; R36/37/38

R10

R52/53

Full text of R-phrases: see section 16

### Adverse physicochemical, human health and environmental effects

No additional information available

## 2.2. Label elements

### Labelling according to Regulation (EC) No. 1272/2008 [CLP]

Hazard pictograms (CLP)

:

GHS02

GHS07

Signal word (CLP)

: Warning

Hazard statements (CLP)

: H226 - Flammable liquid and vapour.

H315 - Causes skin irritation.

H319 - Causes serious eye irritation.

H335 - May cause respiratory irritation.

H412 - Harmful to aquatic life with long lasting effects.

Precautionary statements (CLP)

: P261 - Avoid breathing vapours, spray, dust, fume, gas.

P273 - Avoid release to the environment.

P305+P351+P338 - IF IN EYES: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing.

## 2.3. Other hazards

No additional information available

## SECTION 3: Composition/information on ingredients

### 3.1. Substances

| Name             | Product identifier | %   |
|------------------|--------------------|-----|
| DIBUTYL ETHER AR | (CAS-No.) 142-96-1 | 100 |

Full text of R- and H-statements: see section 16

### 3.2. Mixtures

Not applicable

# DIBUTYL ETHER AR

## Safety Data Sheet

---

### SECTION 4: First aid measures

#### 4.1. Description of first aid measures

- First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER/doctor if you feel unwell.
- First-aid measures after skin contact : Wash with plenty of water/.... Wash contaminated clothing before reuse. Get medical advice/attention.
- First-aid measures after eye contact : Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice/attention.
- First-aid measures after ingestion : Rinse mouth. Do not induce vomiting.

#### 4.2. Most important symptoms and effects, both acute and delayed

- Symptoms/effects after inhalation : May cause respiratory irritation.
- Symptoms/effects after skin contact : Causes skin irritation.
- Symptoms/effects after eye contact : Causes serious eye irritation.

#### 4.3. Indication of any immediate medical attention and special treatment needed

Treat symptomatically.

### SECTION 5: Firefighting measures

#### 5.1. Extinguishing media

- Suitable extinguishing media : Carbon dioxide. Dry powder. Foam. Water spray.
- Unsuitable extinguishing media : Do not use a heavy water stream.

#### 5.2. Special hazards arising from the substance or mixture

- Fire hazard : Flammable liquid and vapour.
- Explosion hazard : May form flammable/explosive vapour-air mixture.

#### 5.3. Advice for firefighters

- Protection during firefighting : Do not enter fire area without proper protective equipment, including respiratory protection.

### SECTION 6: Accidental release measures

#### 6.1. Personal precautions, protective equipment and emergency procedures

- General measures : Remove ignition sources. Use special care to avoid static electric charges. No open flames. No smoking.

##### 6.1.1. For non-emergency personnel

- Emergency procedures : Evacuate unnecessary personnel.

##### 6.1.2. For emergency responders

- Protective equipment : Use personal protective equipment as required.
- Emergency procedures : Ventilate area.

#### 6.2. Environmental precautions

Toxic to aquatic life with long lasting effects.

#### 6.3. Methods and material for containment and cleaning up

- Methods for cleaning up : Collect spillage. On land, sweep or shovel into suitable containers.

#### 6.4. Reference to other sections

No additional information available

### SECTION 7: Handling and storage

#### 7.1. Precautions for safe handling

- Additional hazards when processed : Handle empty containers with care because residual vapours are flammable.

# DIBUTYL ETHER AR

## Safety Data Sheet

---

|                               |                                                                                                                                                                                                                                       |
|-------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Precautions for safe handling | : Avoid contact with skin and eyes. Keep away from sources of ignition - No smoking. Use only outdoors or in a well-ventilated area. Do not breathe vapours. Provide good ventilation in process area to prevent formation of vapour. |
| Hygiene measures              | : Do not eat, drink or smoke when using this product. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work.                                                           |

### 7.2. Conditions for safe storage, including any incompatibilities

|                        |                                                                                                                                                                                             |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Technical measures     | : Proper grounding procedures to avoid static electricity should be followed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting equipment. |
| Storage conditions     | : Keep in fireproof place. Keep container tightly closed.                                                                                                                                   |
| Incompatible materials | : Heat sources.                                                                                                                                                                             |

### 7.3. Specific end use(s)

No additional information available

## SECTION 8: Exposure controls/personal protection

### 8.1. Control parameters

No additional information available

### 8.2. Exposure controls

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Hand protection          | : Protective gloves                                                |
| Eye protection           | : Chemical goggles or safety glasses                               |
| Skin and body protection | : Wear suitable protective clothing                                |
| Respiratory protection   | : [In case of inadequate ventilation] wear respiratory protection. |

## SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

|                                            |                     |
|--------------------------------------------|---------------------|
| Physical state                             | : Liquid            |
| Molecular mass                             | : 130.23 g/mol      |
| Colour                                     | : Colourless.       |
| Odour                                      | : No data available |
| Odour threshold                            | : No data available |
| pH                                         | : 5.2               |
| Relative evaporation rate (butylacetate=1) | : No data available |
| Melting point                              | : -98 °C            |
| Freezing point                             | : No data available |
| Boiling point                              | : 141 °C            |
| Flash point                                | : 25 °C             |
| Auto-ignition temperature                  | : No data available |
| Decomposition temperature                  | : No data available |

# DIBUTYL ETHER AR

## Safety Data Sheet

---

|                                  |                                 |
|----------------------------------|---------------------------------|
| Flammability (solid, gas)        | : Flammable<br>Flammable solid. |
| Vapour pressure                  | : 4.6 hPa at 20 °C              |
| Relative vapour density at 20 °C | : 4.5                           |
| Relative density                 | : No data available             |
| Density                          | : 0.769 g/cm <sup>3</sup>       |
| Relative gas density             | : 0.764 at 25 °C                |
| Solubility                       | : Water: 10 g/l at 20 °C        |
| Log Pow                          | : 5                             |
| Viscosity, kinematic             | : No data available             |
| Viscosity, dynamic               | : No data available             |
| Explosive properties             | : No data available             |
| Oxidising properties             | : No data available             |
| Explosive limits                 | : 0.009 - 0.085 vol %           |

### 9.2. Other information

No additional information available

## SECTION 10: Stability and reactivity

### 10.1. Reactivity

No additional information available

### 10.2. Chemical stability

Stable under normal conditions.

### 10.3. Possibility of hazardous reactions

No additional information available

### 10.4. Conditions to avoid

Open flame. Heat. Sparks.

### 10.5. Incompatible materials

No additional information available

### 10.6. Hazardous decomposition products

May release flammable gases.

## SECTION 11: Toxicological information

### 11.1. Information on toxicological effects

Acute toxicity : Not classified

Skin corrosion/irritation : Causes skin irritation.  
pH: 5.2

Serious eye damage/irritation : Causes serious eye irritation.  
pH: 5.2

Respiratory or skin sensitisation : Not classified

# DIBUTYL ETHER AR

## Safety Data Sheet

|                        |                                     |
|------------------------|-------------------------------------|
| Germ cell mutagenicity | : Not classified                    |
| Carcinogenicity        | : Not classified                    |
| Reproductive toxicity  | : Not classified                    |
| STOT-single exposure   | : May cause respiratory irritation. |
| STOT-repeated exposure | : Not classified                    |
| Aspiration hazard      | : Not classified                    |

### SECTION 12: Ecological information

#### 12.1. Toxicity

Ecology - water : Harmful to aquatic life with long lasting effects.

#### 12.2. Persistence and degradability

| DIBUTYL ETHER AR (142-96-1)   |                                                         |
|-------------------------------|---------------------------------------------------------|
| Persistence and degradability | May cause long-term adverse effects in the environment. |

#### 12.3. Bioaccumulative potential

| DIBUTYL ETHER AR (142-96-1) |   |
|-----------------------------|---|
| Log Pow                     | 5 |

#### 12.4. Mobility in soil

No additional information available

#### 12.5. Results of PBT and vPvB assessment

No additional information available

#### 12.6. Other adverse effects

No additional information available

### SECTION 13: Disposal considerations

#### 13.1. Waste treatment methods

Product/Packaging disposal recommendations : Dispose of contents/container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation.

Additional information : Handle empty containers with care because residual vapours are flammable.

### SECTION 14: Transport information

In accordance with ADR / RID / IMDG / IATA / ADN

#### 14.1. UN number

UN-No. (ADR) : 1149

# DIBUTYL ETHER AR

|                                    |                                                                                                                                                        |
|------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Tank special provisions (IMDG)     | : TP1                                                                                                                                                  |
| EmS-No. (Fire)                     | : F-E                                                                                                                                                  |
| EmS-No. (Spillage)                 | : S-D                                                                                                                                                  |
| Stowage category (IMDG)            | : A                                                                                                                                                    |
| Properties and observations (IMDG) | : Colourless liquids with a mild ether-like odour. Explosive limits: 0.9% to 8.5%<br>Immiscible with water. normal-DIBUTYL ETHER: flashpoint 25°C c.c. |
| MFAG-No                            | : 128                                                                                                                                                  |

### - Air transport

|                                              |        |
|----------------------------------------------|--------|
| PCA Excepted quantities (IATA)               | : E1   |
| PCA Limited quantities (IATA)                | : Y344 |
| PCA limited quantity max net quantity (IATA) | : 10L  |
| PCA packing instructions (IATA)              | : 355  |
| PCA max net quantity (IATA)                  | : 60L  |
| CAO packing instructions (IATA)              | : 366  |
| CAO max net quantity (IATA)                  | : 220L |
| ERG code (IATA)                              | : 3L   |

### - Inland waterway transport

|                                   |             |
|-----------------------------------|-------------|
| Classification code (ADN)         | : F1        |
| Limited quantities (ADN)          | : 5 L       |
| Excepted quantities (ADN)         | : E1        |
| Equipment required (ADN)          | : PP, EX, A |
| Ventilation (ADN)                 | : VE01      |
| Number of blue cones/lights (ADN) | : 0         |

### - Rail transport

|                                                           |                           |
|-----------------------------------------------------------|---------------------------|
| Classification code (RID)                                 | : F1                      |
| Excepted quantities (RID)                                 | : E1                      |
| Packing instructions (RID)                                | : P001, IBC03, LP01, R001 |
| Mixed packing provisions (RID)                            | : MP19                    |
| Portable tank and bulk container instructions (RID)       | : T2                      |
| Portable tank and bulk container special provisions (RID) | : TP1                     |
| Tank codes for RID tanks (RID)                            | : LGBF                    |
| Transport category (RID)                                  | : 3                       |
| Special provisions for carriage – Packages (RID)          | : W12                     |
| Colis express (express parcels) (RID)                     | : CE4                     |
| Hazard identification number (RID)                        | : 30                      |

### 14.7. Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code

Not applicable

## SECTION 15: Regulatory information

### 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### 15.1.1. EU-Regulations

No REACH Annex XVII restrictions

DIBUTYL ETHER AR is not on the REACH Candidate List

DIBUTYL ETHER AR is not on the REACH Annex XIV List

# DIBUTYL ETHER AR

## Safety Data Sheet

### 15.1.2. National regulations

#### Germany

Reference to AwSV : Water hazard class (WGK) 2, significant hazard to water (Classification according to AwSV; ID No. 73)

12th Ordinance Implementing the Federal Immission Control Act - 12.BImSchV : Is not subject of the 12. BImSchV (Hazardous Incident Ordinance)

#### Netherlands

SZW-lijst van kankerverwekkende stoffen : The substance is not listed

SZW-lijst van mutagene stoffen : The substance is not listed

NIET-limitatieve lijst van voor de voortplanting giftige stoffen – Borstvoeding : The substance is not listed

NIET-limitatieve lijst van voor de voortplanting giftige stoffen – Vruchtbaarheid : The substance is not listed

NIET-limitatieve lijst van voor de voortplanting giftige stoffen – Ontwikkeling : The substance is not listed

#### Denmark

Class for fire hazard : Class II-1

Store unit : 5 liter

Classification remarks : R10 <H226;H315;H319;H335;H412>; Emergency management guidelines for the storage of flammable liquids must be followed

Recommendations Danish Regulation : Young people below the age of 18 years are not allowed to use the product

### 15.2. Chemical safety assessment

No additional information available

## SECTION 16: Other information

Full text of R-, H- and EUH-statements:

|                   |                                                                                              |
|-------------------|----------------------------------------------------------------------------------------------|
| Aquatic Chronic 3 | Hazardous to the aquatic environment — Chronic Hazard, Category 3                            |
| Eye Irrit. 2      | Serious eye damage/eye irritation, Category 2                                                |
| Flam. Liq. 3      | Flammable liquids, Category 3                                                                |
| Skin Irrit. 2     | Skin corrosion/irritation, Category 2                                                        |
| STOT SE 3         | Specific target organ toxicity — Single exposure, Category 3, Respiratory tract irritation   |
| H226              | Flammable liquid and vapour.                                                                 |
| H315              | Causes skin irritation.                                                                      |
| H319              | Causes serious eye irritation.                                                               |
| H335              | May cause respiratory irritation.                                                            |
| H412              | Harmful to aquatic life with long lasting effects.                                           |
| R10               | Flammable                                                                                    |
| R36/37/38         | Irritating to eyes, respiratory system and skin                                              |
| R52/53            | Harmful to aquatic organisms, may cause long-term adverse effects in the aquatic environment |
